FIRST ITEM ON THE AGENDA

Programme and Budget for 2002-03

Collection of contributions from 1 January 2003 to date

- **1.** This paper provides a summary of contributions received to 31 January 2003 and a comparison with the position at 31 January 2002. Appendix I gives details of contributions received and amounts credited during January 2003, and the position of contributions and amounts due as at 31 January 2003, subdivided as follows:
 - A. States which have settled their 2003 contributions in full;
 - B. States which have paid part of their 2003 contributions;
 - C. States which have made no payments but have received credits towards their 2003 contributions;
 - D. States which have made no payments, nor received credits, towards their 2003 contributions;
 - E. Amount due by States when they ceased to be Members of the Organization.
- **2.** Appendix II gives details of those member States which, at 31 January 2003, were subject to the provisions of paragraph 4 of article 13 of the Constitution.

Assessed contributions for 2003

3. Total assessed contributions for 2003 amount to 384,125,400 Swiss francs, the same level as in 2002. Section A of Appendix I lists member States which, at 31 January 2003, have settled all contributions due, through payment and through credits received. Thirty member States (with 2003 contributions of 36.8 million Swiss francs, representing 9.6 per cent of assessed contributions) were in this position, 18 of which paid their contributions before 1 January 2003. At the corresponding date in 2002, 28.4 million Swiss francs, or 7.4 per cent of 2002 assessed contributions, had been received from 25 member States, 18 of which had paid their contributions before 1 January 2002.

GB286-PFA-1-2-2003-02-0152-1-EN.Doc

¹ Amounts credited against 2003 contributions represent the distribution to eligible member States of incentive scheme credits, surplus and net premium earned in prior periods. Details are given in footnote 1 to Appendix I.

- **4.** Section B lists 11 member States that have made partial payments against their 2003 contributions. At the corresponding date in 2002, 18 member States had made partial payments against their 2002 contributions. Section C lists States which have made no payments against their 2003 contributions, but which have received credits towards their contributions of the year, while section D lists States which have made no payments and have received no credits. One hundred and thirty-four States are shown in the latter two sections, compared with 132 States in a similar position at the corresponding date in 2002.
- **5.** At 31 January, total payments and credits received against 2003 contributions thus totalled 51.9 million Swiss francs or 13.5 per cent of assessed contributions, as against 40.5 million Swiss francs, or 10.5 per cent at the corresponding date in 2002.

Arrears of contributions

6. At 31 December 2002, contributions outstanding amounted to 110.3 million Swiss francs. At 31 January 2003, 5.2 million Swiss francs or 4.7 per cent had been received against these outstanding contributions. At the corresponding date in 2002, 9.9 million Swiss francs had been received, representing 7.8 per cent of the contributions outstanding at 31 December 2001 of 126.7 million Swiss francs.

Summary of contributions received

7. Total assessed contributions for 2003 received up to 31 January 2003 and arrears received up to the same date, amounted to 57,167,014 Swiss francs and are summarized as follows:

	Swiss francs
Assessed contributions received	51 993 501
Arrears of contributions received	5 173 513
Total contributions received	57 167 014

Member States which are two years or more in arrears and which have lost the right to vote under paragraph 4 of article 13 of the Constitution

8. The position of member States in relation to paragraph 4 of article 13 of the Constitution as at 31 December 2002 is given in a separate paper. A number of other member States lost the right to vote on 1 January when their arrears of contributions equalled or exceeded their contributions due for the preceding two full years. Some member States have also regained the right to vote by making payments against their arrears of contributions in January 2003. A table listing those member States that were two years or more in arrears on 31 January 2003 is attached as Appendix II. The total of 32 member States in this position compares with 37 at the corresponding date in 2002, 35 in 2001 and 44 in 2000.
