- iv. SMK Sek.18 Shah Alam
- v. SMK Bdr. Utama, PJ
- vi. SMK Sri Manjung, Perak

### **b) Primary Schools**

- i. SRK Sri Pasir, JB
- ii. SRK Tmn. Sri Gombak
- iii. SRK Putrajaya (4)

# **OSH in School Program**

- In its mission to strive towards making OSH a culture, NIOSH has decided to make its “OSH in School Program” as one of its activities.
- The program was introduced with the objective of making schools safe and healthy places of work for teachers, school staff, students and visitors alike.
- All these programs have been sponsored by ExxonMobil, one school by TNB Janamanjung Sdn. Bhd. and future activities by Ramunia Holdings Berhad.
- The most urgent task is to create safety and health consciousness among the teaching and support staff as well as among the students and to promote a safety culture.
- Instilling OSH awareness in schools from an early and receptive age will benefit students who are going to make up the nation’s future workforce and they will eventually embrace the safety culture and contribute towards making their future workplaces accident-free.

# **OTHER CSRs**

2. Discounted fees of 25% for members, ex-service men, union members, small and medium industries and schools.
3. Free information dissemination activities to public (e.g.: Exhibition, Flyers, Seminar, Talks).
4. NIOSH funded research (e.g.: Vibration among KTMB train drivers, laboratory equipment usage).
5. Free Consultancy services (e.g.: National Service Camps, private and public universities).
6. Co-funding ASEAN-OSHNET activities i.e 50% NIOSH & 50% from Government fund. (e.g: Free training for ASEAN-OSHNET member countries).
7. Free training for members and to practical students from private and public universities.

# NIOSH Involvements & Events

## 1. ASEAN OSHNET Secretariat

ASEAN OSHNet (ASEAN Occupational Safety and Health Network) was officially formed in 2000 through a memorandum of understanding among the ASEAN countries. Since then, Indonesia was the first country to act as the ASEAN OSHNet Secretariat. However, Laos, who should be the next in line, for some reasons had to decline the appointment. Thus, in sequence, Malaysia have accepted the next three years appointment. NIOSH representing Malaysia has officially taken over the secretarial job from Indonesia beginning July 2004 to June 2007. The main objective of this secretariat is to cultivate the cooperation between the OSH centers among the ASEAN countries. Activities conducted by ASEAN OSHNet Secretariat in 2005, 2006 & 2007 are as below:

Activities	Date	Venue
Launching of ASEAN-OSHNET Secretariat in Malaysia	22 Feb 2005	NIOSH Malaysia
6th Coordinating Board Meeting (CBM 6)	17-18 Mar 2005	Ha Long, Viet Nam
8 <sup>th</sup> Conference and Exhibition on OSH (COSH) by NIOSH Malaysia	28-29 June 2005	Kuala Lumpur, Malaysia
Participation in 21 <sup>st</sup> APOSHO	5-8 Sep 2005	Bali, Indonesia

## **2. World Day for Safety and Health at Work**

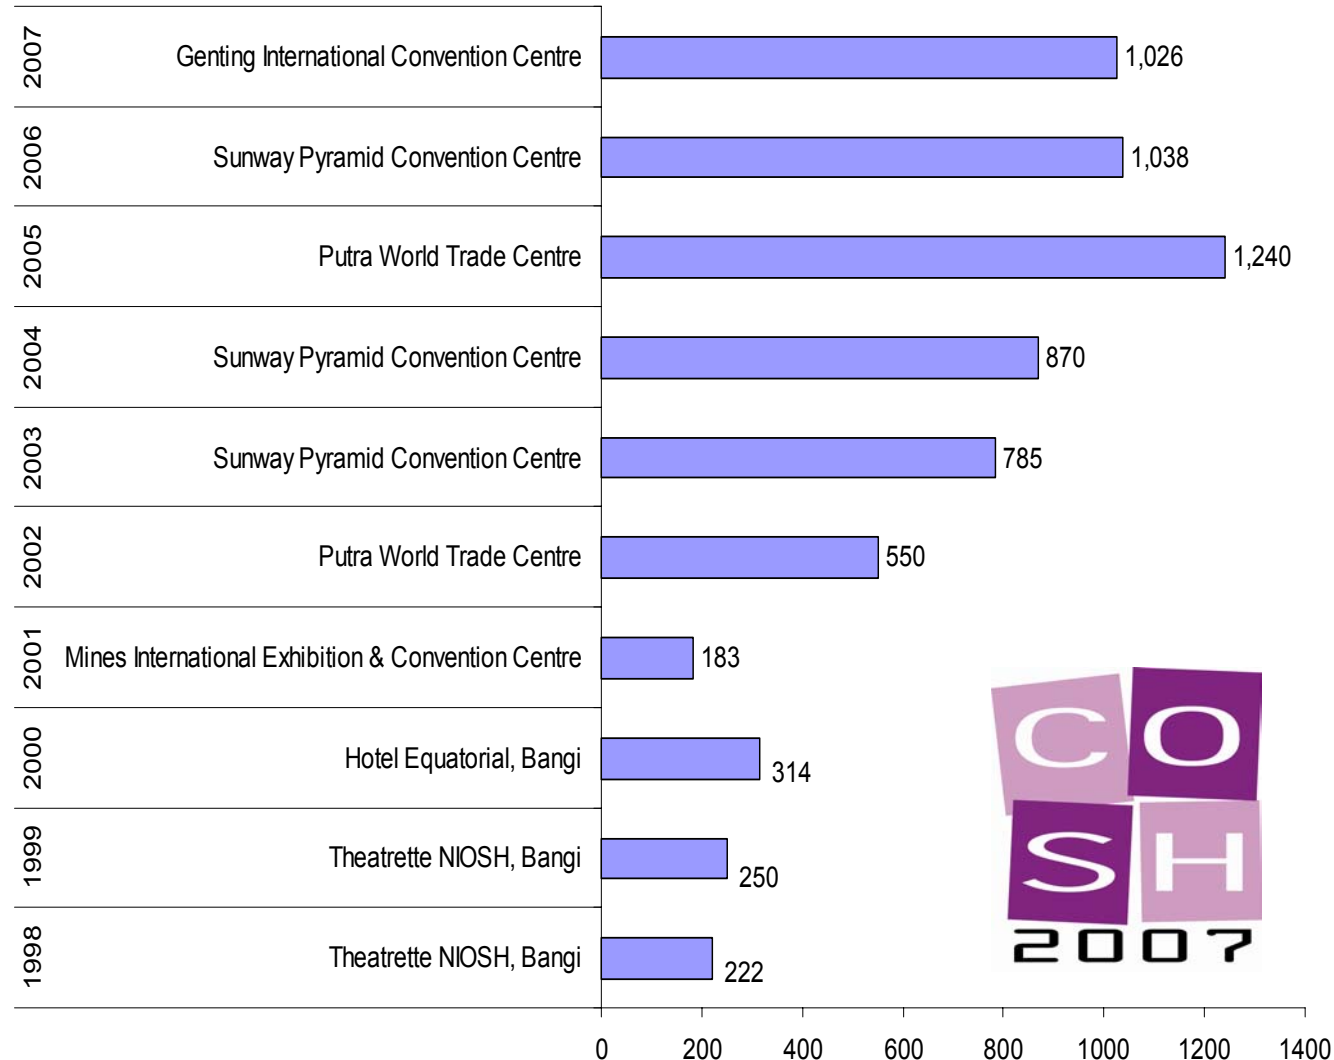

On World Day for Safety and Health at Work, governments, employers' and workers' organizations are encouraged to conduct awareness-raising activities within their areas of influence on the theme of accident and ill-health prevention. This year at governmental level, the National Council for Occupational Safety and Health conducted a short seminar on Decent Work and at institutional level, NIOSH Malaysia organized the a short talk and dialogue in promoting ILO's Decent Work Agenda.

# NIOSH Involvements & Events (cont.)

## 3. NIOSH 10<sup>th</sup> Conference and Exhibition on OSH (COSH)

Since its inception in 1998, the conference had served as the premiere platform for OSH professionals in Malaysia to share and update their OSH knowledge and skills to meet the dynamic changes in the Malaysian working environment. COSH 2007 brings together regulators, practitioners, expert, researchers and suppliers towards a common aspiration which is to achieve a safer and healthier workplace for all.
