APPENDIX B — INSTRUCTIONS

- [1] [id12: Please record the GPS location of this building.](#)

General rules: 1. GPS cannot be taken inside a building. 2. When you turn the GPS/location mode on wait at least 1 minute before trying to take a location. You will get a validation error if the accuracy is not better than 30m. Stand on the same spot and press the GPS button again. 3. Stand away from the wall of a building, but not more than 30 meters. 4. Make sure you can see the sky 5. Don't stand under a tree unless there is no other option

- [2] [name: P101. Please list all the current members of this household.
 Start with the Person who knows the most about household spending and food consumption
 and then list other household members.](#)

IMPORTANT: the first person listed is the main respondent, if 2 members have the same name, add middle name initials. Only include here persons who are: - Currently living in this household (even if temporarily away and they intend to return) - Absent for long period but still depend on this household with the intention of coming back (person sick in hospital, person away for long period but who will come back) - Students who stay in compound, dormitory, boarding school (students who stay in hosting family are part of the hosting family household) - Visitors currently living in this household

- [3] [p105: P105. What is %rosterTitle%'s relationship with the first member listed ?](#)

For each HM, record their relationship to the first person listed in the household (main respondent). Example: If HM states the main respondent is his/her Father, then you need to clarify if he/she is the biological child, adopted child, step child, etc.
