APPENDIX B — INSTRUCTIONS

- [1] `inc_fish`: 4. During the <u>past 7 days</u>, did `%ind_nme%` go fishing, cultivate land or grow plants for the purpose of producing non-perishable, long lasting food products, or raise poultry or graze animals for producing egg/meat for sale?
Example: cultivating land for crops, fruits, vegetables or other food stuff; tending animals or growing fodder; fishing; gathering fruits or other plants for food or as raw materials; preparing food stuff for storage
- [2] `seek_job`: 1. During the <u>past 4 weeks</u>, did `%ind_nme%` search for a job or make an attempt to start an income generating activity?
An attempt to search for a job means that the person has applied for a job which may have been advertised on gazette or other websites, news papers, or notified by a friend or by any other means, or if he/she has started making practical preparations for starting a business.
- [3] `primaryMainActivity`: 1. What was the main economic activity carried out at the place where `%ind_nme%` worked during the <u>past 7 days</u>?
For example: Primary / Secondary education, Weaving thatch, Garment shops, Sea transport, Planting chilies, Reef fishing, Hotels/Café, Pharmacy, Construction. If `%ind_nme%` is temporarily absent from work, state the economic activity he/she has done before their absence.
