K01. The Tokelau National Statistics Office (TNSO) will be conducting a phone survey about the situation of children, families, and households in the future. We would like to invite you to participate in this survey. If you agree to participate, we will ask you to share a phone number we can reach you at and convenient times. The phone interview will take about 10-15 minutes, and we may call you a few times over a period of a few months. Participation in this phone survey is voluntary, and even if you agree to participate now, you may decide to withdraw from participation in the future. There will be no costs to you for participating in the phone survey. Please know that all the information you share during future phone interviews will remain strictly confidential, and your phone number will not be shared with anyone outside our team.
